Why Choose a Disney Cruise?

There is truly something for everyone on a Disney Cruise – from relaxing "me" time for the adults to imaginative fun for the kids and exciting family time for all. Every voyage includes the attention to detail and world-class hospitality that only Disney can provide.

Activities: You will find a variety of activities at themed onboard venues designed to inspire and delight every member of the family.

Dining: Guests will experience diverse menus, "rotating" through three uniquely-themed, elegant restaurants with the same wait staff to anticipate their needs and personal tastes. Enjoy expertly prepared dishes from filet mignon and lobster to other culinary delights from around the world. Options range from upscale table service and casual buffets to poolside dining, snacks and 24-hour room service - all included in the cruise fare.

Entertainment: Enjoy Broadway-quality, original Disney musicals that can't be seen anywhere else, special moments with Disney Characters, first-run Disney movies, uniquely themed celebrations on deck, a fireworks spectacular at sea and more!

Disney Castaway Cay: Most Bahamian and Caribbean cruises include a stop at *Castaway Cay*, a private island paradise, reserved exclusively for Disney cruisers.
